

# Archbishop's Christmas Greetings

**"Nothing can separate us from the love of Christ" (Rom 8:38)**

**Dear Donors and Friends in Baby Jesus,**

would like to wish you a very happy Christmas and joyful New Year 2022. The pandemic has disrupted many aspects of our lives, but it could not prevent us from sharing love with one another. In this time when so much is uncertain, the one certain fact above all else is nothing can separate us from the love of Christ" (Rom 8:38).

## **Our support to Covid victims**

**Sponsored children in group study when schools were closed during lockdown**

We have experienced your generosity and willingness to help us to fight this pandemic by contributing for relief works, providing food kit, medical kit and to extend our service to bury the dead with dignity. Pandemic forcibly isolated us from our loved ones, disabling us even to bid farewell to the dear departed. This Christmas becomes more meaningful when we give hope to others as Christ is our hope for ever. In a world of pain and death, the event of Christmas and glimpse in deep faith at the birth of Jesus allows us to find consolation, lift our heads in hope to the triumph of life and love.
